Opposition Motion--Health

Mr. Steven Fletcher (Charleswood—St. James—Assiniboia, CPC) moved:

That, given a national strategy is needed now to reduce the growing human and economic costs of cancer, heart disease and mental illness; the House call on the government to fully fund and implement the Canadian Strategy for Cancer Control in collaboration with the provinces, territories and municipalities and all stake holders, and given that Canada is one of the few developed countries without a national action plan for effectively addressing mental illness and heart disease, the government should immediately develop and initiate a comprehensive national strategy on mental illness, mental health and heart disease.

The House divided on the motion, which was agreed to on the following division:
